Dear Sir:

I am in receipt of your letter of June 24th. You must have had a typographical error in same, as you stated we could rent your Park on June 30th. I asked in my letter of June 23rd, could we rent the Park for July 30th.

This letter will confirm date of July 30th with the Newark Eagles playing a Negro National League game with The Phila Stars at your Park on the abovementioned date.

Yours truly,
